

Symposium on Science & Society 'Integrity of Science under Attack'

**European Network of Scientists for Social and
Environmental Responsibility e.V. (ENSER)**

in cooperation with the

European Environment Agency (EEA)

April, 15 – 16, 2010

Copenhagen / Denmark

Draft Agenda - Thursday, April 15, 2010

ENSSER Annual General Meeting

09:00 *ENSSER members and invited guests only*

11:00 **Coffee Break**

ENSSER - EEA Symposium on Science & Society

'Integrity of Science under Attack' *

Opening Session

11:30	Current scientific controversies and the role of ENSSER	Jacqueline McGlade, EEA Executive Director
11:50	Omitted research and challenges	Angelika Hilbeck, ENSSER Chairperson
12:10	Agenda and aims of the symposium	Hartmut Meyer, ENSSER coordinator

Lunch

Research, Regulation & Commerce - Current Challenges (Part 1)

14:00	"Late Lessons - Early Warning Vol. 2" Illustrative case	David Gee, European Environmental Agency (EEA), Denmark
14:30	Commercialisation of Sciences	Claudia Neubauer, Fondation Sciences Citoyennes (FSC), France
15:00	Industrial control of research US experiences and recent developments	Doug Guerian-Sherman, Union of Concerned Scientists (UCS), USA
15:30	Trends in science policy and climate change in Mexico	Amparo Martinez, Unión de Científicos Comprometidos con la Sociedad (UCCS), Mexico

Break

* The content of the presentations and discussions at the workshop do not reflect the views of the EEA, its Management Board, or any other institution of the European Communities.

16:30	Avian/Swine flu: the dangerous link between science and hype	Ernesto Burgio, International Society of Doctors for Environment (ISDE), Italy
17:00	Joint discussion Approx. 18:00 end of session Conference dinner For interested participants – Presentation & discussion of documentary film 'Food, Inc.'	Jill Scott, University of Applied Arts Zürich, Switzerland

Draft Agenda - Friday, April 16, 2010

Research, Regulation & Commerce - Current Challenges (Part 2)

09:00	Health effects of commercialized GM crops	Gilles-Eric Séralini, Comité de Recherche et d'Information Indépendantes sur le génie GENétique (CRIIGEN) / University of Caen, France
09:30	Non-target arthropods and Bt crops	Angelika Hilbeck, Eidgenössische Technische Hochschule (ETH) Zürich, Switzerland
10:00	Bt maize and reproductive effects in mice Break	Alberta Velimirov, consultant, Austria
11:00	Environmental Risk Assessments of Bt and HR crops - EFSA's soft approach	Susan Bardocz, consultant, Hungary
11:30	GMO Risk Assessment - EU experiences and recent developments	Beatrix Tappeser, Federal Agency for Nature Conservation (BfN), Germany
12:00	Joint discussion Lunch	

ENSSER Strategies and Activities 2010 - 2012

13:15	Bt maize in center of origin – Mexican experiences and recent developments	Alma Pinyero, Unión de Científicos Comprometidos con la Sociedad (UCCS), Mexico
13:45	Strategies against dissenting scientists	Angelika Hilbeck, Eidgenössische Technische Hochschule (ETH) Zürich, Switzerland
14:15	"Advancing the Understanding of Biosafety" Cooperation ENSSER - Graduate School of Environmental Science, Nagoya University, on an international symposium in Japan, Oct. 2010	Hartmut Meyer, ENSSER, Germany
14:30	Workshop session Developing the ENSSER strategy and action plan Developing work and funding proposals	
17:00	Plenary Presentation and discussion of workshop results	
18:00	End of symposium
